November Make up ASSIGNMENT

As Catholics, we believe the saints in Heaven can pray for us and help bring our prayers to God. When we pray to the saints, it's like building a bridge between heaven and earth. We're talking to real people who love God and want to help us, not just to statues or people from history.

Choose a Saint and write a prayer asking for their intercession.

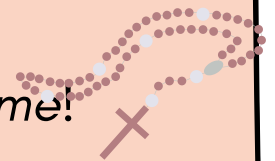

Goal of the Month:

As a family, pray the Rosary together at least once this month.

If you already do, try adding one more time!

Saints of God, pray for us!

Lord, help me grow in faith and love each day. Amen.

Praying to saints doesn't mean we worship them. We only worship God. When we pray to saints, we're asking them to pray for us, just like we ask a good friend to pray for us.
